Senator Says

WASHINGTON — (UPI) — public generally gives them justified, but he added that "it A senator just back from an credit for." is a far better organization inspection trip around the is doing a better job than its more than twice as many per-Soviet counterpart, and with sonnel," Young declared.

N.D.), based his conclusion on cism of CIA may have been in 14 countries and American military installations in 15 foreign nations.

He made the trip as a member of the Special Senate subcommittee authorized to examine in detail the CIA's multimillion dollar budget actual amount of which is "hidden" in budgets of other agen-

"I was not quite satisfied that I was voting intelligently on their appropriation requests," Young said in explaining the purpose of his trip.

Young said he was tremendously impressed by operations of CIA agents throughout the world. He added: "Their work is far more effective than the

"Their results are better now than in the years past." world said Wednesday the Central Intelligence Agency (CIA) is doing a better job than its

The North Dakota Republi-Sen, Milton R. Young, (R., can said some previous criti-

is a far better organization U.S. military installations over-

Young praised the administration of CIA Director John A. McCone. "He is as good a man as we could have," Young said. "It would be unfortunate of he were replaced."

The senator said he found seas at a high state of preparedness, "ready to fight almost immediately if they have to."

A helicopter flight South Viet Nam persuaded him that the proposal to bomb supply lines of the North Victnamese might do some good, Young

"But it's not as important as many persons think it is," he
